### Notification from Environment Div. (環境課からのお知らせ)

Environment Div. ☎ 0561-73-2883

#### 1. Eco Dome will be closed on Nov. 19 (Sun).

Eco Dome will be temporarily closed on Nov. 19 (Sun) for the Nisshin Citizens' Festival. We apologize for any inconvenience this may cause and appreciate your understanding.

#### 2. Apply early for collection of oversized waste before the year-end.

Applications for the collection of oversized waste largely increases near the year-end and new-year closure. Do not wait till the last minute to apply to have your application accepted for your desired date. Online application is strongly recommended. The phone line at the oversized waste reception center will be busy and your call may not get through.

You can take your oversized waste on your own to the Togo Bika Center of the Bisan Sanitation Association. However, the center is also crowded before the year-end, and it may take more than one hour for the whole procedure.

So please take steps early to apply for the collection of your oversized waste or to take your oversized waste to the center. We appreciate your understanding and cooperation.

**How to Apply for Collection of Oversized Waste:** Telephone: Call Oversized Waste Reception Center at 0561-72-5300.

Online: Send your application from the Oversized Waste Reception Site (also accessible from the City's website).

### Incineration of household waste is prohibited by law (家庭ごみの焼却は法律で禁止されています)

Environment Div. ☎ : 0561-73-2843

Burning waste out of doors is prohibited by law. Although, burning of waste when strictly necessary in farming is treated as an exception, you may be reprimanded if you cause trouble in the neighborhood in doing so.

Household waste (including branches and grass) must be put in the designated garbage bags of the City and put out at the collection sites or taken to the Togo Bika Center run by the Bisan Sanitation Association.

Pruned branches that do not fit in the designated bags can be put out for collection by cutting into lengths of less than 70 cm, made into bundles of less than 30 cm, and wrapped around with a designated bag for burnable waste. Please note that branches over 10 cm in diameter are not accepted.
